

# PROTECTIVE HEADWEAR

## SUREFIT™ THERMAL LINER

AHV002-301-600 (Orange)

### DESCRIPTION

SureFit Thermal Liner is thermally insulating, lightweight and machine washable. For use with JSP's range of EVO Helmets and Hardcaps.

### SAFETY STANDARDS

**AS/NZS 1337**

### FEATURES

- Thermal Liner made from 80% Cotton, 15% Polyester and 5% Spandex.
- Protection will only be offered if the helmet or bump cap and helmet liner are fitted correctly.
- The thermal liner should be removed if the user experiences an excessive build-up of heat
- There will be a very limited effect on user's hearing.
- The thermal liner may be machine washed at 30°C.
- Does not affect conformity of JSP EVO® helmets to EN397 or conformity of the Hardcap range to EN812
- Available in Medium/Large
