L - XL

### MATERIALS

Palm: Deerskin Gold leather

Backing: Black nylon, lycra foam backing

Perforated fourchettes provide ventilation

Neoprene knuckle bar guards against knocks

Foam backing for added protection and comfort

Secure fitting elastic cuff

## GLOVE SIZES

The effectiveness of any safety glove depends on correct fit. Poorly fitted gloves can cause injury due to slippage and lack of 'feel'. ProChoice gloves come in a range of sizes to fit most hands.

## DEERSKIN GLOVES

Genuine deerskin leather is soft and durable with amazing hand feel, staying supple even after saturation and drying out.

Deerskin boasts advanced stretch properties with superior recoil memory for increased dexterity and a prolonged glove life.

Deerskin leather features elongated interwoven fibers give it an extremely high shear strength and abrasion resistance. The spaces between the fibers make the leather soft and comfortable over a wide range of temperatures for extended use.

## INDUSTRY APPLICATIONS

- Construction
- Hand and Power Tools
- Carpentry
- Machinists / Mechanics
- Welding
- Metal Handling
- Small parts handling
- Assembly
