

The VELOCITY XTREME is a top quality and low-profile safety goggle that offers an unobstructed 180-degree field of view. Capable to easily fit under hard hats, it features a soft TPV frame with an indirect top and bottom venting system and a one-piece anti-fog coated polycarbonate lens. It also has a 25mm wide adjustable elastic strap to ensure a secure fit and is certified to splash, medium impact, and molten metal protection.

KEY FEATURES

- ❖ Lightweight and low profile
- ❖ Wide field of view
- ❖ Soft TPV seal
- ❖ Fully coated AF/AS lens
- ❖ Indirect top/bottom ventilation
- ❖ Fully adjustable head strap
- ❖ Medium Impact and Liquid Splash approved
